18. February 1981

We're now in the second semester of our 1980-81 season, and we're already progressing in many departments. WHRC begins its coverage of Haverford College basketball this Saturday evening with a live broadcast from Swarthmore. Meanwhile, the News department has expanded and moved its weekly newsmagazine "Frontline" to Sunday evenings, and there is now more classical and jazz programming than ever. The WHRC Radio Guide prototype issue was an unqualified success, and we will continue the project. It is an advertising-supported newspaper distributed to college campuses throughout the Philadelphia region. If you are interested in advertising in the Radio Guide, contact Alan Neff here at the station.

This first playlist of the semester is slightly abbreviated; jazz, folk, and classical lists will come with the next correspondence. Until then, thanks and welcome back!

WHRC-Notes: The push on Ultravox worked! "Vienna" cleared off local record store shelves, and rave reviews are pouring in. While the Specials haven't gotten as good a response, there is a great interest in ska/reggae/dub in these parts, hence the Specials at number two and Jimmy Cliff at eleven...Code Blue getting loads of airplay but little response...MCA, get Rob Stoner's album into the stores!...Grace Slick's new effort met with good airplay but lukewarm response. We intend to push it more heavily and test the waters further...Finally! Mink DeVille moves up on the chart...Jimmy Buffett due for a strong push...Welcome to our mailing list, Plastic Fantastic, Mad's, Sun, Gryphon, and all of our new labels. Keep the new stuff coming!...and, if you need assistance, call Perry at 645-6026, Richie at 642-7426, or either one at the station. Area codes are all (215).

Hello again!

Since we last left our heroes, they had 1) run out of new letterheads, 2) painted over the trademark purple paint job that had adorned the studios and offices of the station for the past four years or so, and 3) upon returning from fall break, compiled the all-new playlist. Here goes:

Top Ten (so popular...)

1. Suburban Lawns (IRS): Their debut proves a WHRC hit, at least...
2. Syl Sylvain (RCA): Inching down from the top.
3. Peter Tosh (Rolling Stones/EMI): Up the ladder for the reigning Reggae king
4. Go Gos (IRS): We still got the beat.
5. Joe Ely (MCA): He's so good, especially live.
6. Undertones (Harvest): Steve's favorite, still strong.
7. Bad Manners (MCA): For the fatties in WHRCland.
8. Alleycats (IRS): Another debut hit on HRC.
9. Rickie Lee Jones (Warners): Strong in our mainstream hours.
10. Duran Duran (Harvest): Strong Strong.

And...

Robert Gordon (RCA)
Tom Verlaine (Warners)
Crusaders (MCA)
Iron City Houserockers (MCA)
Pat Metheny (ECM)
Hall and Cates (RCA)
Chilliwick (RCA)
Alternative TV (IRS)

Johnny Copeland (Rounder)
Seldom Scene (Sugar Hill)
Bob Seger (Capitol)
Kraftwerk (Warners)
Magazine (IRS)
Little River Band (Harvest)
Wall of Voodoo (IRS)
David Grisman (Warners)

Adds: The Look UK (MCA), Humans (IRS), Stevie Nicks (Modern), Suicide (RCIR), Dictators (RCIR), The Eggs (!), and everything we receive... but all that will change with a new stricter playlist rotation format. Details coming soon.

programming thru 2/12/82

Hello again! Here's our brand new playlist. As you'll see, the playlist format is slightly different; this reflects my new approach to music programming at WHRC. The categories shown here are a bit contrived; rock, jazz, and the others are split for convenience's sake. I am working very gradually towards integrating the traditional forms with the newer rock and jazz, establishing a backbone for the contemporary music which WHRC has been so effective with in the past. Currently, the station's programming is split into the rock and the jazz categories, with a bit of crossover between the two (eg. James "Blood" Ulmer turned up in both rock and jazz), and folk, blues, gospel, etc. sprinkled throughout (as well as in special programming). Anyway, here it is. Comments and suggestions are more than welcome. Thanks for your support!

II. DESCRIPTION OF PROGRAM CONTENT

CLASSICAL MORNING AND CLASSICAL BRUNCH

Music of the European Classical tradition will be explored through both recorded works and college performances from the music libraries of Haverford and Bryn Mawr Colleges. Special features will be presented through cooperation with conservatories throughout the Philadelphia area.

INDIVIDUAL MUSIC PROGRAMS

Uncategorized programs will be available for the disc-jockeys to experiment with the concept of a musical continuum. Various ethnic musics and forms of American music will be emphasized. Afro-American roots will play a fundamental role in the consideration of contemporary jazz and rock. Experimental classical and jazz will be studied.

RED, WHITE AND BLUES

Traditional American music will be presented in various forms, including jazz, rural and urban blues, Anglo-American folk music, gospel, bluegrass and rhythm and blues.

EVENING SHAKEDOWN

New Wave rock, contemporary R & B/Funk, and reggae will be presented, with an emphasis placed on connections to early rock 'n' roll, soul music, urban blues and country-inflected rockabilly. The shows serve as a forum for new releases, integrating recent trends into the continuum.

BLUEGRASS AND FOLK

Folk music grounded in the East Coast Anglo-American tradition will be presented. Cross-cultural influences and the European folk heritage will be examined.

AT THE HOP

An "oldies" show featuring rock 'n' roll from the 1950s and 1960s. Trends such as rockabilly, the British Invasion, and soul will be explored in the context of the contemporary youth movements.

REGGAE RAP

The development of reggae, a Jamaican music derived from American rhythm and blues and Afro-Caribbean music, will be traced through "ska" and "blue-beat" to the modern style. Issues related to the Rastafarian religion will be discussed, and situations within Philadelphia's growing Jamaican community will be considered.

WILD HICKTOWN RACQUET CLUB

Wild Hicktown Racquet Club, written, acted and directed by students, is a soap opera set in the Wild, Wild West. This elaborate and plush racquet club attracts an international clientele, who provide most of the romance, intrigue and suspense.

BROADWAY BABY

For one half hour each week, Broadway Baby focuses on a Broadway musical, incorporating both the music (different versions when available) and the history of the show and its actors.

THE OTHER END

This is used as a forum for student opinion and campus events. Guests are brought in from both Bryn Mawr College and Haverford College and the surrounding areas, and opportunities to call in and speak "live on the air" are provided.

TROUT THEATRE

Trout Theatre is an original comedy, written and performed actively by the students of Haverford and Bryn Mawr Colleges. Each program consists of several hilarious skits of varying length and content.

AFTER THE HEAT

This program aims to introduce new and progressive music to the air waves. New artists, different types of music, and variations are played and reviewed. Opportunities to call in and discuss the artist or his work are always available.

STORY TIME WITH SKIP AND BABS

This is acted by students. Children's stories are taken and acted out over background music.

CAMPUS ROUNDUP

Friday's Campus Roundup includes an overview of the past week's events and a preview of movies, lectures and concerts at Bryn Mawr College, Haverford College, and the surrounding areas for the week to come.

DANCIN' IN THE STREETS

This program incorporates both the music and history of the 1960s Motown craze.

THE FRONTLINE

The Frontline is Haverford and Bryn Mawr Colleges' news magazine. Weekly features include international, national and local news, items of interest, and discussion.

FACULTY FORUM

This allows the distinguished professors from both Bryn Mawr College and Haverford College to discuss their research and/or current projects. Panel discussions concerning current events will also be held.

SATURDAY NIGHT LIVE!

Saturday Night Live prepares everyone for Saturday night out with the latest disco, funk and rock 'n' roll hits.

SUNDAY SPECIAL

Pre-recorded campus concerts and lectures will be aired during Sunday Special. This program will give the community an opportunity to hear an event from a distinguished visitor to the colleges they may have otherwise missed.

All's going great here at WHRC; another semester is drawing to a close, with numerous accomplishments to look back to and great promise for the future. The current playlist reflects the growing importance of reggae and funk in WHRC music programming. It's all still part of our philosophy of promoting new music through working off a core of traditional music. Reggae and funk are today's links to traditional rhythm & blues, and as such, fit neatly into our emphasis of a musical continuum from traditional Afro-American music (and, to a lesser degree, the Anglo-American folk tradition) up through today's music and into the future. Enough drivel; here's the new playlist:

ADD

Joe Carter/R. Reid-Marvelous (Empathy)
George Winston-Winter (Windham Hill)

Our format stresses a historical continuum from traditional European, Anglo-American, and especially Afro-American musical forms to contemporary rock, R & B, jazz, and reggae. By integrating the music into a cohesive format, we can simultaneously promote the traditional forms, the roots, and New Music, be it New Wave, New Jazz, Modern Classical, etc. New music becomes more accessible and traditional music becomes more vital. Anyway, THANKS FOR YOUR SUPPORT! By the way, next time you hear from us, Jenny Mitchell will be the new M.D.; she's great, as you'll soon see.

Adios,

Rick Luftglass

Hello! I'm Jenny Mitchell, WHRC's new music director. Rick Luftglass has been showing me the ropes this semester, and I'm looking forward to talking with more of you next semester! In the meantime, here's our latest playlist. Our programming is divided into three large areas. The rock section is mostly New Wave, and DJ's play all the funk and reggae we can get. The second section is "Red, White, and Blues: A Celebration of the American Musical Heritage," covering traditional and contemporary blues, gospel, rhythm & blues, jazz, folk, and bluegrass. Classical music is the third division (not on this playlist). By playing classical in the early morning, Red, White, and Blues in the late morning through early afternoon, and rock from late afternoon on, we try to display a continuum from traditional to contemporary forms of American music, thus increasing appreciation of all forms by putting them in a musical context. Almost by definition, any listing of record companies and their people is somewhat out of date by the time it is compiled and published. Things change that fast for both the companies and people.

Therefore, it is likely that a number of outdated names, addresses, phone numbers and labels may be included on this list. This list was compiled using a number of different sources, including some listings provided by a number of stations. Some were verified by questionnaires returned by the companies. Others were not. We're depending on feedback from your station and others like it across the country to provide any additions, corrections and changes which we'll then include in future updates.

Remember. . . . each company may have a different policy on which stations get record service and how that service is provided. While some use a national distribution point for servicing promo copies, others use regional offices and reps.

These listings can help serve as a starting point for contact between your station and these companies. Those in which you have an interest should be regularly receiving copies of your station's playlist, program guide and other promotional materials.

Station feedback is often the key to getting good record service. The companies want to hear from you, so stay in touch with them by mail and phone and, where possible, in person.

And, please write or call IBS with your additions, corrections and other changes:
